

PLEASE NOTE

NEW CONVENIENCE FACILITY GUIDELINES

Effective October 1, 2024

We will be phasing out the purchase of Trash Bags from the Town

Use of Existing Trash Bags: Residents who have previously purchased Town of Sand Lake trash bags may continue to use them at the facility. They will also still be available at the Town Clerk's office until our supply is depleted at the updated price of \$3.00 (green bags) \$4.00 (yellow bags).

New Disposal Procedure:

1. Residents bringing their own trash bags for disposal will be subject to the same rates as outlined in the Convenience Facility Guidelines. \$3.00 for bags up to 15 gallons; \$4.00 for larger bags.
2. Payments for garbage disposal will be accepted at the Convenience Facility using punch cards or checks only (no cash or credit cards)
3. Alternatively, payments can be made at the Town Clerk's Office using check, credit card or cash for punch cards.
